Patient: Hello?

Doctor: Hello. Is that _____? Dr. _____ here.

Patient: Oh, hello, doctor. Thank you for calling me back.

Doctor: I got a message that you wanted to speak to be. Now, what seems to be the problem? Have you _____ again?

Patient: Ah, you remembered. No, it's not that. I've got _____. I've tried _____ but it doesn't seem to help much.

Doctor: I see. Well, we usually find that _____ can help. I can write a prescription for _____ if you like.

Patient: Thanks, doctor. Yes, I think that would help. And there's another thing. I don't know if it's connected to the _____ or not, but I've got a _____. Could it be _____?

Doctor: Yes, it certainly could be. A lot of people are suffering from it at the moment. I suggest _____. If you don't feel better tomorrow, call me again.
