### CAPTAIN PHILLIPS

Captain Phillips is an upcoming 2013 American biographical action thriller film directed by Paul Greengrass based upon the book, *A Captain's Duty: Somali Pirates, Navy SEALs, and Dangerous days at Sea*, by Richard Phillips with Stephan Tatty, and starring Tom Hanks. It is produced by Scott Rudin, Dana Brunetti, and Michael De Luca. The film tells a biopic of merchant mariner Captain Richard Phillips, who was taken hostage for several days by Somali Pirates when the container ship *Maersk Alabama* which sailed from southern Oman down along the coast of Somalia and then to Kenya was hijacked in 2009.

Captain Richard Phillips (Tom Hanks), a veteran merchant mariner, still lives in his native New England, and he's a plainspoken family man full of anxiety about the economically bleak new world his kids are facing. When his wife (Chaterine Keener) drops him off at the airport, we can see reverse her. The film then cuts to Somalia, a land of dust and poverty, where the pirates are recruited for their mission as if they were migrant farm workers lining up to be chosen for that day's labor. Greengrass doesn't have to fill in much about the violent, chaotic breakdown of Somalia to let us know that these men have little choice.

The film does not generate quite the same level of excruciating suspense as some of Greengrass' previous triumphs, but it nonetheless holds us hostage as it proceeds. As for the four Somali immigrants, they are remarkably effective in their first professional acting gigs.

### **'Laskar Pelangi': The Audacity of Hope**

This is a movie adapted from a best-selling Indonesian novel. It took 40 days of filming on Belitung Island, Bangka-Belitung province. Involving 12 local actors, it reportedly cost Rp8 billion. With all the efforts of transforming Laskar Pelangi (Rainbow Warrior) into a moving picture, will it satisfy readers' imaginations?

It is about an inspiring teacher and her 10 students in the poverty-stricken Kampung Gantong in Belitung. The poor condition of their school building does not dampen their high spirits and hopes for a better future.

Two years later, the novel became a phenomenon in Indonesia literature. With its humanistic touch, Laskar Pelangi has sold more than 500,000 copies and has won the position of Must-Read Novel in every corner of the nation's bookshops and media review pages. It has finally overcome the domination of teen-lit, chick-lit and even religious novels, the popular theme of today.

Andrea entrusted the film of the story to the respected figures in the film industry, Mira Lesmana and Riza, as producer and film director. ### **Outdoors**

**Song by: Jason Mraz**

All day I've been inside  
And I've got the feeling  
I'm trapped between the walls  
And underneath the ceiling  
I feel a bit off track  
And I'm trying to get back  
Back in the cool, cool air where the sun is shining  
Nothing's going to stop me  
It's all in the timing  
It's finally again my turn  
It's time to return  
'Cause I won't stay inside no more  
No more  
I can't wait to go  
Outdoors  
Well open up your door and be like me  
Open up your door and then breathe free  
And look at all the beauty you'll feel  
Loved, loved, loved, loved  
Listen to the music of the wind and the brides sing  
We're just one big family

And all of nature deserves to be  
Loved, loved, loved, loved,  
Loved

So, I won't stay inside no more  
No more  
It can't wait, I'm sure  
There's need to run and hide  
Let's go explore  
It feels so great let's go outdoors

(Don't cha do)  
Everyone come on  
come on out there  
where the air is fresh and clear

So, I won't stay inside no more  
No more  
It cannot wait  
Let's go out doors

Well, open up your door and be like me  
Open up your door and then breathe free

And look at all the beauty and you'll find  
The earth and the sky is yours

So please go, there's no need,  
There's no need to hide inside  
Let's go explore  
This will, this will feel so great  
Let's go outdoors
