

Your Song Saved My Life (U2)

Was a _____ morning
'Bout a quarter past _____
You were _____ dreaming
So, what did you _____ for?

Are you a _____ in your own life?
What are you hiding behind _____ eyes?
Is no one looking for you _____?

Chorus:

You know your song saved my _____
I don't sing it, just so I can _____ by
Won't you _____ me when I tell you, darlin'?
I _____ it to survive

You're looking for a _____
The kind that _____ can't explain
The man you _____ in your heart
Is only _____ when he's in pain

Are you a _____ in your own life?
What are you hiding behind _____ eyes?
Can anyone find you _____
Or just me?

(Chorus)

Your _____ saved my life
The worst and the _____ days of my life
I was broken, now I'm open, your love keeps me alive
It keeps me _____

Your _____ saved my life
The worst and the _____ days of my life
Your song saved my life
Song saved my, song saved my

Your song saved my life
Your song got me through _____
Your song saved my life
Song saved my, song saved my life
