WORKPLACE

Read the following text, answer the questions and relate according to the correct situation in the text.

Patrick and Anna are Diego's parents. They usually go to work every day from Monday through Friday with a very long work schedule, except on Saturdays, when the working hours are until noon.

Patrick said on Wednesday afternoon, that on Friday he will leave work early if they don't have many customers to attend to at the clothing store, and that maybe they will go to the movies at Friday with the time off that day.

Anna said at that moment, that she is going to go to work to a conference and that there all the employees are going to talk about some economic errors in sales, and that on Friday she will not leave work early because of the problems in the company and her boss.

1. Diego's father said that if he left work early on Friday... of the problems in the company and her boss.
2. Diego's mom has to go to... they will go to the movies.
3. Anna will not be able to leave work early on Friday because... to a work conference that Wednesday.
