

Don't dream it's over

..... is freedom within

There is freedom

Try to catch a deluge a paper cup

There's battle ahead

Many battles lost

But you'll see the end of road

While you're traveling with

(Hey, now, hey, now) don't dream it's over

(Hey, now, hey, now) when the world comes in

(They come, they come) to build a wall between us

We know they won't win

..... I'm towing my car

There's a in the roof

..... possessions are causing me suspicion

But there's proof

In the paper

Tales of war and of waste

But you turn right over to the page

(Hey, now, hey, now) don't dream it's over

(Hey, now, hey, now) when the world comes in

(They come, they come) to build a wall between us

We know they won't win

Now I'm walking

To the beat of a drum

And I'm counting the steps to the of your heart

..... shadows ahead

Barely clearing the|

Get to know the feeling of liberation relief

(Hey, now, hey, now) don't dream it's over

(Hey, now, hey, now) when the world comes in

(They come, they come) to build a wall between us

You know they won't win

Don't let them win (hey, now, hey, now)

(Hey, now, hey, now)

again
