I've got lots of friends. Here we all are. Do you know who is who?

Harry likes football. He's medium height with short spiky hair. He hasn't got a fringe.

George isn't playing football, he's taking photos. He's got short dark wavy hair but he hasn't got a fringe. He has always got a shirt on. He's very smart.

Jack has got blonde, curly hair. He hasn't got a

fringe and he hasn't got freckles. He's riding a bike. He's really sporty.

Richard hasn't got a fringe but he has got freckles on his nose. He is very clever and hard-working – look, he's doing his homework!

And this is me – I'm David. I like football and rollerblading. I'm very sporty. I've got short dark straight hair. I've got a fringe, too. I'm medium height.

My favourite day is Thursday. It always starts with <sup>1</sup>*science / maths*. The class starts at <sup>2</sup>*half past 9 / 9 o'clock* and it finishes at half past 10. Last week, we learnt about the human body and before that, we studied the world around us. After lunch, we sometimes have <sup>3</sup>*music / art*. It's my favourite subject. I love painting and drawing!

Yesterday was Tuesday, so first we had <sup>4</sup>*project work / maths*. After break, we <sup>5</sup>*sometimes / always* have PE. We usually go outside and do athletics but in winter we often play volleyball inside.

Lunch is always at <sup>6</sup>*quarter past 12 / 1 o'clock*. We sometimes have <sup>7</sup>*maths / project work* after lunch. We sometimes draw shapes or add numbers. We <sup>8</sup>*always / sometimes* have <sup>9</sup>*science / literacy* for the last lesson of the day. We often write stories which is fun.

School always finishes at <sup>10</sup>*quarter to 3 / quarter to 4*. This evening, I stayed after school and went to music club.

**bye bye kids!!!**
