Dniéper

Rin

Ródano

Volga

The map shows the physical features of Europe, including major rivers and lakes. The altitude scale ranges from 0 to 4000 meters. The rivers listed are Pechora, Danubio, Ebro, Tajo, Dniéper, Rin, Ródano, and Volga. The map is color-coded by altitude, with green representing low altitudes and red representing high altitudes. The rivers are shown as blue lines, and lakes as light blue areas. The map is labeled with 'Mapa físico de Europa' and 'Altitud (m)'. The 'LIVEWORKSHEETS' logo is visible in the bottom right corner.
