

Present Simple vs Present Continuous

Hi, Ben!

How are you? I'm on holiday in Spain with my family. We're staying in Malgrat de Mar. It's a nice town at the seaside. We're living in a great hotel. I love the food. I eat delicious seafood **every day**. Today is "The Fruit Day" and I'm eating apples, bananas and oranges. Yummy! Do you like oranges, Ben?

In the morning we **always** go to the beach. I enjoy sunbathing and swimming in the water. We are on the beach **now**. My parents are swimming, my baby brother is building a sandcastle. I'm not swimming **at the moment**, because I'm writing to you. And what are you doing?

There are many shops in Malgrat de Mar. My mum **usually** goes shopping at night. My dad and my brother **never** go shopping, because they don't like it.

Guess what!? **Today** in the afternoon we're going to a waterpark. I'm so happy!

Where are you? Are you having fun?

Write soon!

Jess
