Ahmed. Good evening Ali. How was your day?

Ali. It was not very good. I am not happy with my class. 1. _____ students were absent. Only 2. _____ were present.

Ahmed. That is very bad. 3._____ students were absent?

Ali. Almost 4, _____ except three.

Ahmed. Do you spend 5. _____ time with them? Do they do their homework regularly?

Ali. No. I am worried. 6. _____ students are interested in studying.

Ahmed. Perhaps you give them very difficult tasks and I think you give them only 7. _____ time to complete the tasks.

Ali. No. The problem is that they are not interested. 8. _____ of them spend all their time on social media. They spend 9. _____ time to study.

Ahmed. They don't know 10 _____ money their parents and the government spend for their education. I hope they would be more responsible.
