Last weekend, Gemma went to the theatre with her mum and dad for her birthday. They bought the tickets outside the theatre. Gemma was excited to watch the play for the first time because she didn't use to go to the theatre when she was younger. First, it was very dark and they couldn't see anything. Then, they saw the actors and actresses under coloured lights on the stage. The story was about a young beautiful girl who lived in an old castle and a frog who wanted to marry her. It all ended happily. All the audience clapped their hands loudly to cheer. Then one of the actors brought a chocolate cake and shouted, "Stand up, Gemma.". Everyone in the theatre sang "Happy Birthday!" to her. Gemma laughed and said "Thank you, everybody." She will never forget her twelfth birthday!
