

READING & WRITING 6

I. Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1,2,3 or 4 words.

When Anna was five, she used to throw away all the things that she didn't use any more. She used to spend all her savings to buy new toys and school things. But now, she has changed her mind. She thinks that, she needs to do something to protect the environment. She decided to set up a project named *"Save the environment, save ourselves"*. During the project time, she did a lot of meaningful activities. Her family and friends support her a lot. Last weekend, they cleaned up their local park. They collected a lot of plastic bottles and they put them in a big bag. They took all the rubbish to a recycling centre. Recycling is a great idea. They recycled paper to make newspaper and books. They also recycled car tyres to make trainers. Anna and her friends made pencil pots to keep pencils in. They also tried to reuse things. For example, they always keep greeting cards and ribbons from presents, and use them to wrap presents. Anna and her sister can make wrapping paper from old magazines. They always take their own carrier bags to the supermarket and recharge their batteries so they don't have to buy new ones. Let's save the environment together.

Dear Anna,

I am writing (0) to tell you about my first day in the city. I hope your weekend will be as great (1)mine!

Uncle William took me to a football match on Saturday. My favourite team didn't win but I was so excited! Mum met us at a restaurant (2) it ended and we had a delicious meal there.

Tomorrow, I am (3)to watch a play at the theatre. I think you (4)..... like it because there is your favourite actor there. I will take photos of your favourite actor and show you when I come back home.

I have a lot (5) fun this weekend, and I can't wait to see you next week. I think we will have a great time, too.

Lots of love,

Katy
