FAMILIES

A Claire

I've got two older brothers. My mum and dad are a lot of fun. They like all kinds of exciting sports, even snowboarding! Most weekends we visit my grandparents. I love spending time with them. When I was small, my granny had her own cooking show on TV! She was quite well-known back then. I like my family a lot. We're all pretty close.

B Brendan

I've got a younger brother and three older sisters. My oldest sister, Orla, got married in Ireland last year. It was fantastic and now Orla's having a baby in the autumn! I can't wait to be an uncle. Our grandparents live in Switzerland, which is lucky for us because we all enjoy skiing. My dad likes to cook for everyone. He's actually very good.

C Angela

I've just got one younger sister and we live with our dad in Canada. We've already lived in a few different countries because of Dad's job; he designs big bridges. In a few months, we're going to live in Ireland. I'm not happy about that because I like living here. I go skiing with my friends every weekend and I'll miss doing that. My grandmother says I'll meet new friends and do other things!

Young blog writers

Tasha

Last year I wrote for my college magazine, which I found really difficult, but I don't think it's hard to write a good blog. Mine is about things from daily life that make me laugh. My older brother also has a blog, but we're writing about different subjects. We don't discuss what we're planning, but we read each other's blogs sometimes. I like giving advice to people who write in asking for it – it's good to

Danni

I started writing my popular film blog because I love movies. I like it when readers send me articles by email about a film they've seen, and I put these on my blog for everyone to read. I'm still at college, so I'm careful about spending too long on my blog, which is difficult as writing well takes time. I don't think I'll write it for much longer. I'm busy, and it's time to do something new.

Chrissie

I began writing on a school magazine. I stopped after a few years, but I missed it, so I started my own – I'm still writing it now! The blog's new for me, and I write about daily life. I get ideas from friends or my sister when I can't decide what to write about – we always think of something interesting, sad or serious. At first, almost nobody visited my site, but now more do, I've had some lovely comments.
