Subject: Re: What are you up to?

Hi Grace!

Do I like living in the UK? Yes, I do. I love living here!

On **Saturdays** I like going to Brighton town centre. My favourite place is the Natural History Museum.

And every Sunday we go to my **Choose...** house.

She loves cooking a big Sunday lunch and Mum and Dad really

like her roast potatoes! Then in the **Choose...** , we

walk the dog or go to the **Choose...** . I like

skateboarding. It's fun. School is OK but I hate wearing a

uniform. Luckily, **Choose...** Fridays, we wear our own

clothes. Sophie and her best mate Seb are cool. (Check out the

photo! But they're really into street dance and I don't like dancing. Never mind!

What are you up to?

Luke
