The crow and his friends

A parrot and a peacock lived in a forest. They were good friends.There was also a crow in the forest. The parrot and the peacock did not like her.They never spoke to her.

One day, the parrot fell ill. The crow offered her some fruits. The parrot did not eat them. The crow was sad.

One night a big wild cat was climbing up the tree to catch the parrot. The crow saw it and cawed loudly. The parrot woke up and flew away.

One evening the peacock was dancing. A wolf was waiting to catch him. The crow saw it and attacked the wolf with his beak. The wolf ran away.

The next day the parrot and the peacock go to the crow, thank him and make friends. The crow was happy.
