

# FAMILY

## Read about the following families :

Which family is an example of:

a couple with no kids

an extended family

a foster family

a nuclear family

a single-parent family

1. Mary and Joe have four kids and they live together with Mary's parents and her brother, who is 27.
2. Sue and Tim got married last month. They are planning to start a family next year.
3. Diane got divorced two years ago. She raises her daughter, Alice alone and it is not always easy for her.
4. Mary's parents couldn't look after her properly, so Jill and James provide a safe place for her. They love her very much, take care of her and would like to adopt her soon.
5. I live with my parents and my brother, Peter, who is 12 years old.
