

1. Write *weather* or *climate*:

- A. We experience \_\_\_\_\_ at one time and place.
- B. \_\_\_\_\_ changes quickly.
- C. We experience \_\_\_\_\_ over a long period of time.
- D. Altitude and the distance from the Equator and the sea affect \_\_\_\_\_.

2. Choose the factors that affect climate.

population

distance from  
the Equator

distance from the sea

altitude
