GLASGOW

Scotland's Rocking Second City

Glasgow is Scotland's second city. Once it was an industrial centre, but today it's a lively place where people come for great music, good food and fascinating history. This ¹ modern city is perfect for a three-day city break.

Buchanan Street in the centre of the city is the main shopping street. The restaurants are ² around Argyle Street, where you can find cuisine from anywhere in the world. Finally, art lovers should head to the Kelvingrove Art Gallery and Museum. Its ³ collection includes pictures by Salvador Dali and Vincent Van Gogh.

As for nightlife, Glasgow has it all. Many famous bands play at the SSE Hydro – you're guaranteed to have a ⁴ time. New Year's Eve is a particularly exciting time to stay, when the streets are ⁵ and everyone is in a party mood.

If you're looking for a quiet getaway from the city, you can ⁶ get to the Isle of Arran on a day trip. Arran is well-known for its beautiful hills and forests. It's ⁷ called "Scotland in miniature" because of its breathtaking scenery.

Surprisingly, tourists ⁸ spend any time in the city during their trips to the UK because most people are in a hurry to reach the famous Highlands further north. In a world of mass tourism, Glasgow is a real, living city that will delight visitors coming there for the first time.
