

Calculating Wages and Overtime

Instructions:

1. Assume a regular work week is 40 hours.
2. Any hours worked over 40 hours are considered overtime hours.
3. Overtime rate is calculated using time and a half.

Hours Worked	Regular Hours	Overtime Hours	Hourly Rate	Overtime Rate	Regular Wages	OT Wages	Total Wages
42			\$6.50				
45			\$7.80				
50			\$8.20				
41			\$6.70
