My name is Maria José. I was born in Santa cruz de tenerife, although I live in San Miguel de Abona,

I am forty five years old, I have one son who is sixteen years old.

I am happy, I like reading, listen to music, the beach, the pool, the food hehehe, I like football and my favorite team is Real Madrid, just like my son who also likes it.

I usually take my son to his football games on weekends since he plays on a team called Chenet.

I like to go with him to see how it plays, sometimes we go to La Gomera to compete with the teams from there and also to La Palma.

Well this is something I usually do on a weekend.

I say goodbye carefully Maria José.
