

Worksheet 'garden animals'

grade 4

Read the descriptions and choose the correct name

ANT

LADYBIRD

WORM

BEE

BUTTERFLY

SNAIL

SPIDER

GRASSHOPPER

I am often red with black spots.

I can fly.

I can jump 20 times the length of my body.

I can make a lot of noise when I rub my wings.

I am beautiful to watch with my brightly colored wings.

There are four stages in my life cycle: egg, larva, pupa and adult.

I live in a colony. I often walk in a row. I'm a hard worker.

I can carry more than 50 times my own weight.

I am one of the slowest animals.

I carry a house on my back.

I have got 8 legs. A lot of people are afraid of me.

I catch flies in my web.

I am very long and thin.

I live in the ground.

My body is black and yellow.

You often see me near flowers. I make honey.
