MY HOBBY

My name is Peter. My hobby is reading. I spend hours reading books. There are always interesting stories to read and things to learn. My dad read to me before going to bed when I was a little boy. The stories were full of witches, fairies, princes, princesses,…. and other fascinating characters. I liked to imagine that I was the knight who saved the princess locked in a tower.

I prefer other types of stories now because I'm older. I particularly enjoy reading action and adventure stories. It's fun to believe that I'm the hero who fights the bad guys! And I'm also interested in real life stories because they make me think and imagine my reactions to many different situations in life. I think reading is a really interesting and exciting experience!
