

PERFECT DAY

Lou Reed

Fill in the blanks:

Just a
Drink sangria in the
And then , when it gets dark
We go home

Just a
animals in the zoo
Then later a movie,
And then home

Oh, it's a perfect day
I'm glad I it with you
Oh, a perfect day
You just keep me
You just keep me

Just a
Problems all left
on our own

It's such fun

Just a
You made me myself
I thought I was someone else
good

Oh, it's a perfect day
I'm glad I it with you
Oh, a perfect day
You just keep me
You just keep me

You're going to just what you
You're going to just what you
You're going to just what you
You're going to just what you
