

I'm Still Standing

Elton John

You could never know what it's like

And did you think this fool could never win?

Looking like a true survivor
Feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind

Don't you know I'm still standing
Better than I ever did

Your blood like winter freezes just like ice
And there's a cold lonely light that
shines from you
You'll wind up like the wreck you hide
behind that mask you use

I'm still standing (Yeah, yeah, yeah)
I'm still standing (Yeah, yeah, yeah)

You're starting down the road leaving
me again
The threats you made were meant to cut
me down
And if our love was just a circus, you'd
be a clown by now

Once I never could have hoped to win

Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still
standing, you just fade away

You know I'm still standing
Better than I ever did
Looking like a true survivor
Feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life
Without you on my mind
I'm still standing (Yeah, yeah, yeah)
