A Look at the article about keeping a clean home environment. Choose the correct word in each pair to complete the article.

Is \_\_\_\_\_ in your home affecting your life? Some researchers have found that a messy home can cause people to \_\_\_\_\_ on their tasks and can make them feel tired all the time. \_\_\_\_\_ your stacks of papers and magazines and \_\_\_\_\_ your life may feel like an enormous job, but you can \_\_\_\_\_ your home a little bit at a time. Don't do it all at once, and don't do it \_\_\_\_\_ before weekend houseguests are due to arrive. Instead, take 15 minutes at the end of each workday to clean up a small area of your home. Make this activity a daily habit and \_\_\_\_\_. Say goodbye to clutter for good!
