

MID-TERM 2 REVISION

I. Read the text and write T (True) or F (False):

My name is Judy. I am nine. There are 5 people in my family. Of us, me, my mom, my dad, my brother and my sister. My dad is 49 years old. He is a doctor. He can play the piano very well. My mom is 48 years old. She is a teacher. She can play the guitar because she teaches the kids how to play the musicals.

I am a pupil. I like playing piano but I can't play it. I can play the recorder. My parents always help me to study playing instruments. I love my family.
