

There's no _____ way of knowing
What was in your _____
When it stopped going
The whole world _____
A storm was blowing through _____

Waiting for _____ to stop this
And up to your neck in _____
Everyone around you was _____
Saying something

There's no dignity in _____
To sell the world your last _____
They're still fighting over
_____ you left over

**I saw you standing at the _____
When Marlon Brando passed _____
You had that look upon your face
Advertising space
And, no one learned from your _____
We let our _____ go to waste
All that's _____ in any case
Is advertising space**

Through your _____ the world was burning
Please be _____ I'm still learning
You seemed to say as you kept turning up
They poisoned you with _____
At what point did you realise
Everybody loves your life, but you

Special agent for the _____
Through watergate and vietnam
No one really gave a _____
Did you think the CIA did?

/ CHORUS/

No one learned from your _____
We let our _____ go to waste
All that's _____ in any case
Is advertising space

I've seen your daughter
Man, she's cute
I was scared but I wanted to
Boy she looks a lot like you
