Body

How are you? My name is Matilda.

I am 11 years old. I am tall and thin and I have green eyes and brown wavy hair.

I am a student in St James Primary School. I live in Oxford, a beautiful city in the south east of UK.

In my city, there are lots of monuments and incredible landscapes. The weather is often wet and rainy but it's nice too.

I love reading books and travelling with my family. Last year, we travelled to Spain. We love Spain! We loved its weather, its food and its people. People in Spain are really funny and interesting.

Next Christmas holidays, I am going to visit my cousins in London and we are going to celebrate Christmas together. My family is large. I have 12 cousins and 3 uncles and 2 aunts.

I am very good at sports and I am competitive. I practice swimming everyday after school, and I compete with my school swimming team.
