

Year 2 Science
(Week 11)

What can we do in this weather?

Name: _____

Class: Year 2 A B C D

Date: 16th March 2022

What is weather?

Weather is about how much sunlight, wind, clouds, rain or snow a place has. It is also about how hot or cold a place is. We can measure the weather by checking the **temperature** using a **thermometer**.

1. Determine each of the weather shown in the pictures.

sunny

windy

cloudy

snow

lightning storm

hail

rain

fog

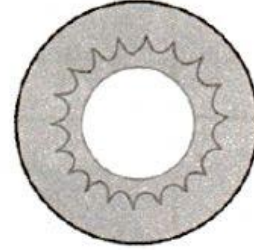

temperature

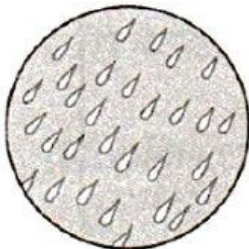

(a) _____

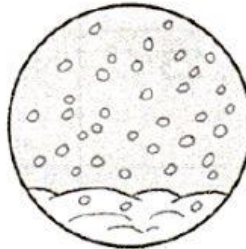

(b) _____

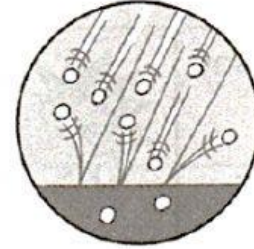

(c) _____

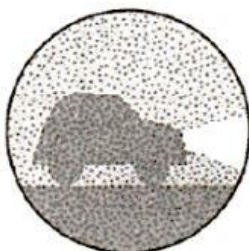

(d) _____

(e) _____

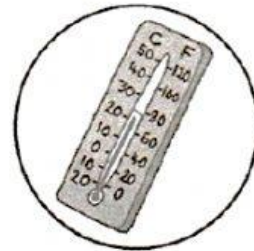

(f) _____

(g) _____

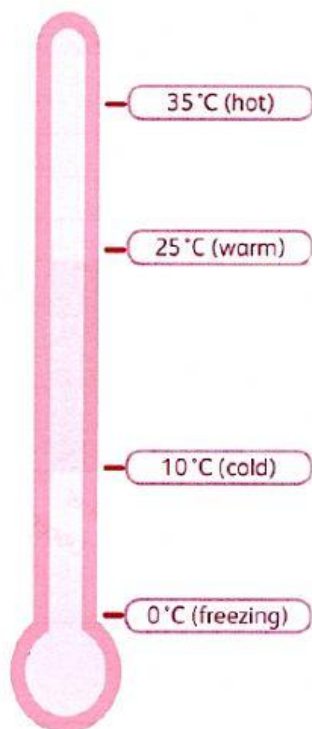

(h) _____

(i) _____

2. The higher the temperature, the hotter it gets so the thinner clothes you will need.
Draw a line to match the activity to the temperatures.

3. Sort the activities you could do on a..

rainy day	sunny day	snowy day
