Dear Ms. Smith,
I'm writing to apply for the position of Social Media Manager for Fit Living, as advertised on your website careers page. I have three years of experience as a Social Media Assistant for Young Living, and I believe I am ready to move up to the manager position.
In your job posting, you mention that you want to hire a Social Media Manager who understands Internet and social media trends. During my time at Young Living, I was given the responsibility of increasing follower numbers on Instagram. I explained to my manager that I would be happy to do so, and that I would also work hard to increase follower participation, because engagement has become an important metric. Within six months, I increased our followers by over 50% and increased engagement by 400%. I'm very proud of that accomplishment. Currently, I'm working to build a following with the best influencers in our niche.
