

On both maps an island \_\_\_\_\_, the first one \_\_\_\_\_ what the island looked before touristic development, the second one after.

The island, which has palm trees, is \_\_\_\_\_ 250 metres long. It is \_\_\_\_\_ a sea and has a beach on \_\_\_\_\_. Over an undisclosed period, the island was \_\_\_\_\_ with the \_\_\_\_\_ a hotel and a pier, however the \_\_\_\_\_ of the island appears to have been left untouched .

\_\_\_\_\_ additions are the hotel rooms. 6 buildings, surrounding some trees, have been built \_\_\_\_\_ the island and 9 buildings have been constructed in the \_\_\_\_\_ the island. Between both \_\_\_\_\_, a reception area and a restaurant has been developed.

A pier, which \_\_\_\_\_ the reception, has also been built on \_\_\_\_\_ the island, allowing yachts to dock and access the resort. Apart from the trees, the beach remains the only natural feature that has been \_\_\_\_\_, although it now has a swimming area.
