

Completa les diferents tires numèriques

A parkour map with a scale from 100 to 700. The map features a central figure of a parkour athlete in a red shirt and black pants, performing a jump. The background is a stylized cityscape with buildings in shades of blue, orange, and green. A horizontal scale bar at the top marks distances from 100 to 700 in increments of 50. Below the scale, there are several rectangular boxes, some of which are connected to the scale by lines, indicating specific points of interest or obstacles. The map is designed for a live worksheet activity.
