Collaborate 2 - Third Term - Second Writing Task

Write an opinion essay about the future (80 words minimum). Your essay has to include Future Simple (will-won't), First Conditional and has to have the following structure:

- **First line:** In the next 100 years the world will be very different from now.
- **First paragraph:** Positive things that will happen in the future.
- **Second paragraph:** Negative things that will happen in the future.
- **Last line:** Your conclusion.

Example sentences:

Future Simple: *I think that every house will have a robot.*

First Conditional: *If we don't recycle, a lot of animals will die.*

You should also use the following sentences to connect your ideas:

- Firstly,
- I think that / In my opinion,

- Secondly,
- On the other hand,

- To sum up / In conclusion

FIRST DRAFT (Do a brainstorm in class, in order to help students come up with some ideas)
