

A colorful illustration of a desert landscape. In the top left, a large yellow sun is in a light blue sky. Below it are white, fluffy clouds. The ground is a mix of light green and yellow. In the foreground, there's a brown, rounded hill. On the left of the hill is a green saguaro cactus. In the center of the hill is a white, fluffy cloud-like shape with two small black dots for eyes. To the right of the hill is a small green bush. Further right, there's a red, stylized rock formation. In the bottom right corner, there's a white sign with a brown border that says "3th Grade" with stars on either side. Below the sign is the "LIVEWORKSHEETS" logo, which includes a small "LIVE" icon with the letters L, I, V, E in different colors.
