

Name: _____ Mathematics

Year 4 (Week 11)

Topic: Bar Graph

A graph to show the number of books each class has read

- Which classes has the most number of books?
- What was the total number of books read by Year 6 and Reception?
- Year 4 and 5 read 703 books. What is the difference between their total and the total of books read by both Year 3 and Year 6?
- How many fewer books did Year 2 read than Year 3?

ChallengeHow many books did the school read in total? Mrs Richardson set a target of 2000 books to be read by the whole school. Did we make this target?
