

Name: _____ Mathematics

Year 4 (Week 11)

Topic: Bar Graph

A graph to show the number of books each class has read.

1. How many books did Year 2 and Year 3 read in total?
2. What was the total number of books read by Year 6 and Reception?
3. What is the sum of books read by Year 1 and Year 2?
4. How many books did Year 4 and Year 5 read altogether?
5. What is the total of the number of books read by Year 3 and Year 6?

ChallengeWho read more books- Reception and Year 2 **or** Year 3 and Year 4?
