Spelling – Homework - Total Marks: 20
Prefixes: un, in, dis and trans

TIP: A prefix is a word part that is added at the beginning of a base word or a root to make a new word. The prefix **trans** means across or over, as in transplant. The prefixes **un** and **dis** mean not, as in unselfish and disgrace. The prefix **dis** can also mean away or opposite of, as in distance or discovered. The prefix **in** can mean into or not, as in inexpensive. It can also mean to cause to become, as in increase.
