Put the strophes in the correct sequence from 1 to 12:

Stuck In a Moment You Can't Get Out Of (U2)

( )
I'm just trying to find
A decent melody
A song that I can sing
In my own company

( )
I never thought you were a fool
But darling, look at you
You gotta stand up straight, carry your own weight
These tears are going nowhere, baby

( )
It's just a moment
This time will pass

( )
Chorus:
You've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Don't say that later will be better
Now you're stuck in a moment
And you can't get out of it

( )
I'm not afraid
Of anything in this world
There's nothing you can throw at me
That I haven't already heard

( )
I will not forsake
The colours that you bring
But the nights you filled with fireworks
They left you with nothing

( )
And you are such a fool
To worry like you do
I know it's tough
And you can never get enough
Of what you don't really need now, my oh my

( )
I am still enchanted
By the light you brought to me
I listen through your ears
And through your eyes I can see

( )
(Chorus)

( )
Chorus 2:
You've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Oh love, look at you now
You've got yourself stuck in a moment
And you can't get out of it

( )
And if the night runs over
And if the day won't last
And if our way should falter
Along the stony pass
2x

( )
I was unconscious, half asleep
The water is warm till you discover how deep
I wasn't jumping, for me it was a fall
It's a long way down to nothing at all
