Word formation

D Complete the Exam Task below.

Exam Task

Do you like your job?

Job (1) _____ is an important part of overall happiness in life. It gives workers a strong sense of (2) _____ and success. It indicates that people are doing a job they enjoy, doing it well, and are being (3) _____ rewarded for their efforts.

It means they have enthusiasm for their job and are happy with their working conditions. Happy workers are also more likely to get a (4) _____.

Sadly, many workers are (5) _____ with their jobs. They are less (6) _____ and perform worse than their happier fellow employees. They are less (7) _____ and lack motivation. They also suffer from the 'Sunday night blues', when the thought of returning to work the following day makes them (8) _____. In fact, research has shown that more than a third of all sick leave is taken on a Monday. Interestingly, the least popular day for sick leave is Friday because the weekend is just around the corner!
