TV**

I am allowed to watch the late night films.	I am allowed to go out with my friends in the afternoon after homework.	Loud music in the afternoon is no problem for my family.	I am allowed to dye my hair but I don't want to do it.	I am allowed to have a nose stud when I am 16.
I am not allowed to dye my hair.	When I go out I have to get home by eight.	I am only allowed to watch TV on Saturdays and in the holidays.	I am not allowed to get home late.	My parents have no problem with loud music.
I am not allowed to go out alone in the evening.	I have my own TV in my room and I am allowed to watch TV all the time.	When there is school, I have to go to bed at nine.	At the weekends I am allowed to sleep late.	When My parents are at home, I am not allowed to turn up the music.
I am allowed to stay up late but not in the week.	I don't really like tattoos – so I don't ask for one.	My mum always cuts my hair because she is a hairdresser.	My parents don't let me get a piercing.	My parents only let me have a fake tattoo.
