My trip to New York

My name is Nataly and I wanted to tell you about my trip to New York City. I traveled in the year 2014. It was summer in New York so days were very hot and warm. New York city is a modern and beautiful city. I had the chance to visit museums, Parks, restaurants and theaters. The museums are big and really crowed, they have a lot of history. I visited a lot of Parks in NY. My favorite is the Central Park. It was really huge and quiet.

I think there isn't enough life to eat in all the restaurants in New York. My favorite is Serendipy. It is very famous and beautiful.

Finally I went to the theater and I saw a wonderful play called The phantom of the opera. It was an indredible show. I loved it. I hope some day you have the chance to visit the Big apple.
