

**Math Evaluation
3rd Bimester
Period 2021-2022**

Name: _____ Grade: _____

A. Tell if the given models show an equivalent fraction.

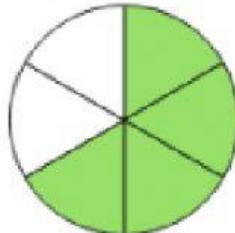

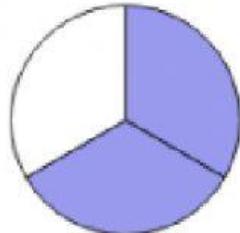

1.

Yes:

No:

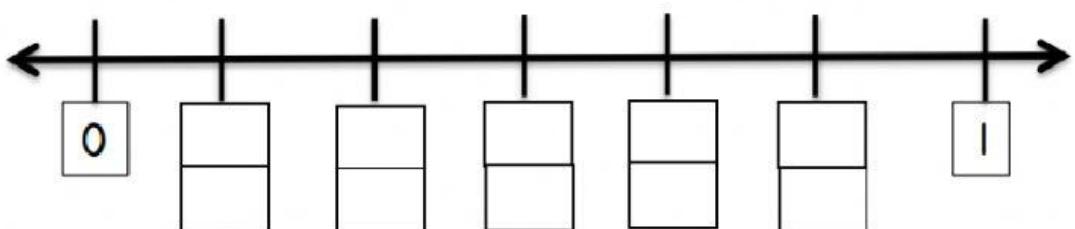

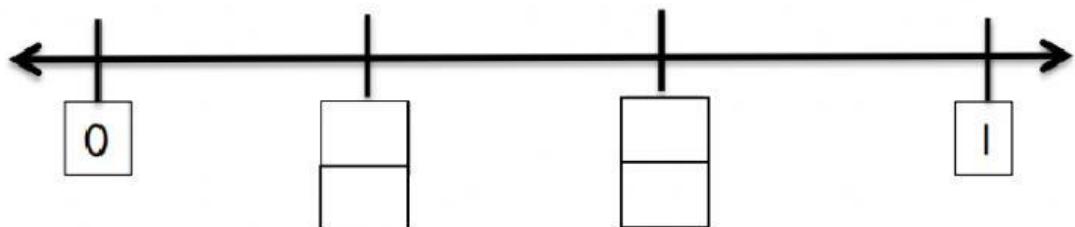

2.

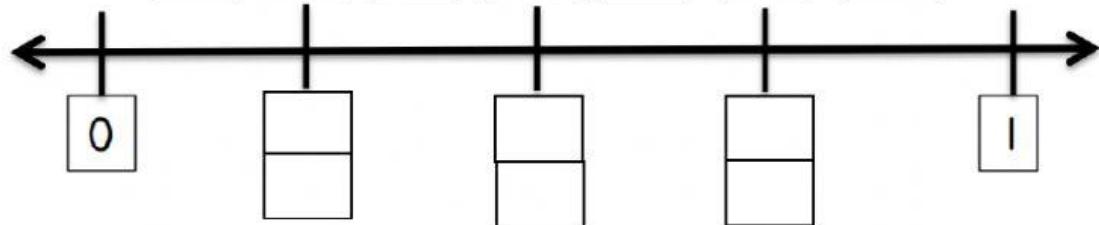

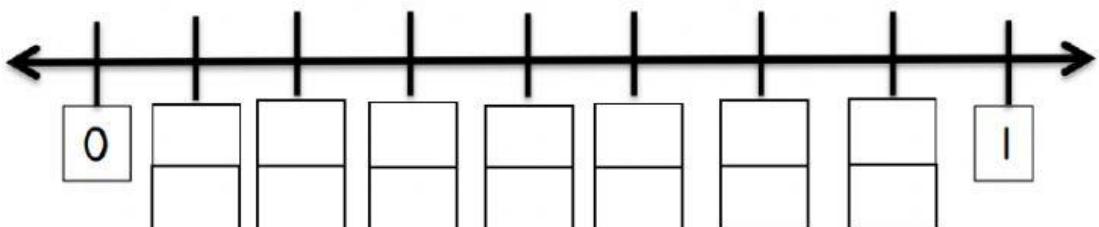

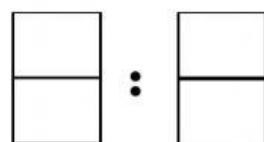

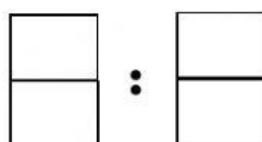

Yes:

No:

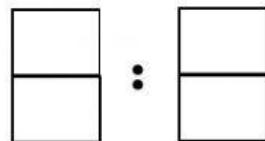

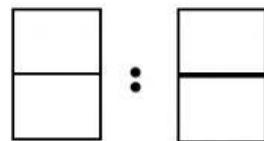

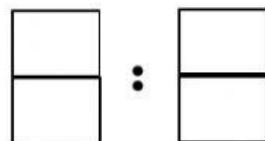

B. Label the two lines below with fractions.

- Identify two sets of equivalent fractions on the number line above.

- Identify three sets of equivalent fractions on the number line above.

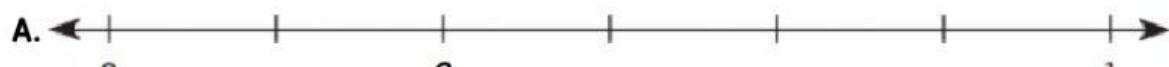

C. Compare the fractions below. Circle $>$, $<$ or $=$

1. $\frac{3}{9}$ ○ $\frac{5}{15}$ $>$ $<$ $=$

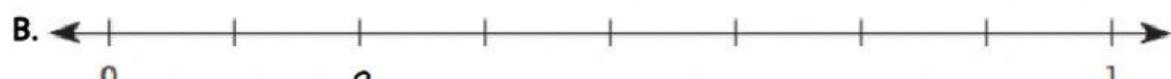

2. $\frac{2}{8}$ ○ $\frac{3}{6}$ $>$ $<$ $=$

3. $\frac{5}{8}$ ○ $\frac{3}{8}$ $>$ $<$ $=$

D. Use the number line to compare the fraction A and B. Explain on the box below which fraction is greater and which is less and why.

$\frac{2}{6}$

$\frac{2}{8}$
