

Computación

Arrastra cada uno de los dispositivos a su lugar.

The diagram shows a computer case with several internal components labeled. At the top is a large empty box. Below it are three boxes labeled "Memorias", "Disco duro", and "Procesador". Below these are two more boxes labeled "Tarjeta de video" and "Cooler". To the right of the "Procesador" label is a small image of a computer tower. Below the labels are five images of hardware components: two RAM modules, a video card, a CPU fan, a CPU, and a hard drive. A central box labeled "HARDWARE INTERNO" is also present.
