

# The Butterfly Lion - Vocabulary

## Chapter five: Running free

1) Try to guess the meaning of some of the verbs in the story (start with the easy ones!):

To **hope**

To **put** something **out**  
of your mind

To **break** the news

To **wince**

To **get on well** with  
someone

To **gaze**

To **pace up and down**

To **cope**

To **make up** your  
mind

To **creep**

To **yawn**

To **turn tail**

To **strap** someone

Manage a situation successfully

Walk to a place and back  
repeatedly

Look intensely

Forget about something

Take a decision

Have a good relationship with  
someone

Wait and wish that something  
happens.

Move slowly and silently

Make a gesture of pain or sadness

Open your mouth to take in air  
when you are tired or bored

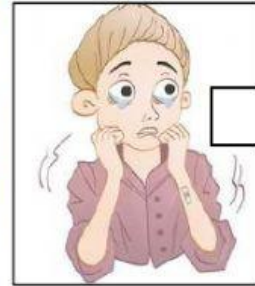

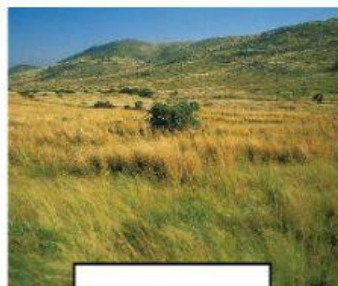

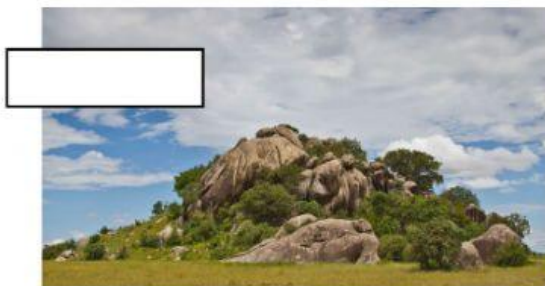

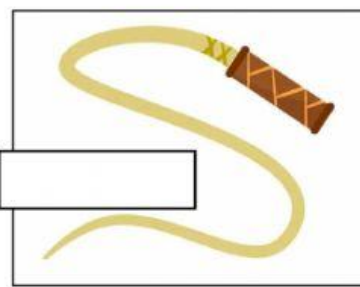

Hit someone with a *belt* 

Inform something or give news  
abruptly

Turn around and run away  
because you're scared

2) Now, look at the words in the box and place them in the correct labels

|       |      |       |       |      |      |      |
|-------|------|-------|-------|------|------|------|
| Kopje | Veld | Tears | Dread | Trip | Rage | Whip |
|-------|------|-------|-------|------|------|------|

3) EXTRA! Match the people to the places where they belong

Salisbury is where

-----

Wiltshire is where

-----

Johannesburg is where

-----

France is where

-----

Timbavati is where

-----
