Subject: My apologies
Hi Ahmed, It was nice to see you before the meeting. I'm sorry to hear about your father-in-law. I hope he gets better soon. Your wife, Judy, must be sad. We send our love! My deepest apologies for losing my temper at the meeting on Monday. I am stressed because work is very busy. I won't do it again. I'll finish our project on time. I'll call you on Thursday. Thank you for understanding! Take Care,, Pedro
