Dear Ali,

How are you? I (1)_____ you are well. Mum and I are fine over here.

! (2)_____ your letter yesterday. I (3)_____ that you (4)_____ to pursue a course in music at a local university. However you have also been offered a scholarship to do medicine. Mum is very excited when she (5)_____ about the scholarship and it is her wish that you (6)_____ medicine.

As you know, doctors are in great demand today. After you (7)_____ , you will surely (8)_____ a job and you will be doing a great service to the community. Besides, the salary is very attractive.

Eventually, after a few years of service, you can open a clinic. (9)_____ how proud mum will be! You will have a comfortable life. Furthermore, scholarship is being provided. So, mum will not be worried about you not having enough money.

If you (10)_____ a course in music, the income is not stable. The music industry in our country does not (11)_____ good money. Nevertheless, knowing how much you (12)_____ music, you can still take it up as a hobby. It is relaxing and (13)_____ you to fill your time wisely. Also, mum would not be able to financially (14)_____ you. This is because scholarship is not offered if you take up a course in music.

Well my dear brother, please (15)_____ about it seriously. I hope you will take up medicine as this will definitely (16)_____ mum happy.

Your loving brother,
