

ENDANGERED ANIMALS SONG

Listen and write the words.

*We are endangered animals
of the rain forest in the jungle.
Please listen to our song and learn
about the animals in the _____.*

I'm a three toed sloth.
I spend my life in _____.
I'm from South America.
I eat sticks, buds and leaves.

I am a scarlet macaw
and I'm yellow, blue and _____.
I eat fruits and nuts
and when I fly my wings are spread.

I'm a Red Eyed Tree Frog.
I am Orange, Blue and _____.
I live in Central America
I eat bugs to stay lean.

I'm a lowland _____.
I dwell in African forests
I munch on veggies and bugs.
Now lets sing this chorus!

*We are endangered animals
of the rainforest in the jungle.
Please listen to our song and learn
About the animals in the _____.*

I'm a Forest Elephant.
I have a family called a heard.
I am a vegetarian.
African home is much preferred.

I'm a Black Panther
from the Felidae family.
I'm from South _____
and meat is what I eat.

I'm an Orangutan.
I live on Asian islands.
I spend my life in trees.
I eat fruit with my _____.

*We are endangered animals
of the rain forest in the jungle.
Please listen to our song and learn
about the animals in the _____.*

Deforestation and pouching are real bad.
That's what makes us endangered creatures.
Come learn about all of the _____
and do your part and become the teacher.
