Hi, my name is Peter. I'm from England. There are five people in my family. This is my grandma. She is 75 years old. She can remember all the phone numbers of my family members. My father's phone number is 0989087652. My mother's phone number is 0912388878. My brother's phone number is 01020304050. But my grandma can't remember her phone number because she never calls it. What is your phone number ? Can you remember it ?
