Hi Sam,

I was right. When I finally arrived at the village, I stood in the village square. Everything was very different. There was **(31)**..... village shop; instead, I could see a large, bright supermarket. And the open fields I **(32)**..... to walk through to get to school, once filled with beautiful wild flowers, were now full of box-like modern houses.

So that's all for now. Let me know what you've been doing all this time.
Miss you,
Sheila
