

Aren't firefighters cool?

My cousin is a firefighter. He is brave and everybody admires him. He has a red uniform and a red helmet and he is always ready for interventions. He trains hard every day together with his dog. He washes the big red car and helps people when he is needed. He puts out fires, he helps animals stuck in trees or in wells or people blocked in their houses or in cars. He is very happy to be helpful and I want to be like him when I am older.
