

ANIMAL WORLD

TIGERS JUMP LIKE KANGAROOS

Tigers are beautiful animals. They have unique stripes. Tigers live in the grassland. They **can** do many things: They can jump high like kangaroos. They can climb trees like panda bears. They can swim like polar bears, and they can run fast like dogs, but they **can't** stomp like elephants or fly like eagles. They are awesome!

WHAT TIGERS CAN DO?

1) Read the text and answer the following question:

What the text is about?

- 1) The text is about tigers' favourite food.
- 2) The text is about tiger hunting.
- 3) The text is about all the actions tigers can perform.
